Our client had to comply with a discovery request that required a review of close to 100,000 documents relating to an alleged Breach of Trust by the former Trustees.

1. Limited number of in-house resources.
2. Lack of in-house familiarity with available legal technology.
3. In house team unfamiliar with key processes to expedite and enhance the review.
4. Very challenging timelines.

Reviewed hundreds of pages of pleadings to create concise Review Guidelines.

Within a day, we deployed and trained a team of 15 resources to identify Responsive, Hot, and Privileged documents.
